

CREATIVE PHOTOGRAPHER

35 years old
based in London

PROFESSIONAL SUMMARY

I'm passionate about capturing real moments through portrait and street photography. My work combines technical skill with an eye for storytelling – using light, expression, and context to create images that connect. I'm confident with advanced gear and editing tools to bring each photo to life.

EDUCATION & EXPERIENCE

Over 10 years of hands-on experience working with people – from quiet portraits to dynamic street scenes. I've studied photography professionally and continue to grow through real-world projects, client sessions, and personal exploration.
